Petitioner is a federal prisoner who, proceeding *pro se*, filed a Petition for habeas relief pursuant to 28 U.S.C. § 2241. By order issued on August 7, 2015, the court allowed Petitioner an opportunity to submit the information necessary to bring the case into proper form for evaluation and possible service of process. Specifically, the order directed Petitioner to provide the court with the filing fee, or the financial document necessary to proceed *in forma pauperis*, and to submit his claims on the standard form used by federal prisoners to seek relief under § 2241. The order warned Petitioner that failure to provide the necessary information within a specific time period would subject the case to dismissal. Petitioner did not respond to the order and the time for response has lapsed. As Petitioner has failed to prosecute this case and has failed to comply with an order of this court, the case is **dismissed without prejudice** pursuant to Rule 41 of the Federal Rules of Civil Procedure. *See Link v. Wabash R.R. Co.*, 370 U.S. 626 (1962).

IT IS SO ORDERED.
